Education

MEng Double Degree , CentraleSupélec, Université Paris-Saclay	Sept 2026 – June 2028
• Engineering cycle (Ingénieur CentraleSupélec) – TIME Double Degree Network	
MEng , Louvain School of Engineering (EPL), UCLouvain	Sept 2025 – June 2026
• Major: Applied Mathematics	
BEng , Louvain School of Engineering (EPL), UCLouvain	Sept 2022 – June 2025
• Major: Applied Mathematics, Minor: Computer Science – Graduated <i>Cum Laude</i>	
Lycée de Berlaymont	Sept 2016 – June 2022
• Graduated with honors	

Experience

Quant Analyst , LSM Investment Club	Oct 2025 – Present
• Conducted quantitative analysis to support investment decisions; presented and popularized scientific articles for the club.	

Projects

Interest Rate Modeling – Sinusoidal Hull-White Model	github.com/DewellGuerand
• Implemented and validated an interest rate simulation engine based on the Hull-White model, incorporating a sinusoidal extension derived from a research paper. <i>Tools: Python</i>	
Pricer for GMAB & GMDB Insurance Products	
• Developed a full pricing framework for GMAB and GMDB contracts, covering closed-form analytical derivations and numerical methods including Binomial Trees and Monte Carlo simulation (Euler-Maruyama scheme). <i>Tools: Python</i>	
Disease Detection	
• ML project for disease detection using CNN, XGBoost and RandomForest classifiers. <i>Tools: Python</i>	
Flight Optimisation	
• Built an API and backend to compute minimal-distance routes based on passenger preferences. <i>Tools: Python, Flutter (Dart)</i>	

Personal Achievements

- **Hockey:** 15+ years of competitive play; coached junior players at local club.
- **Running:** Completed the Brussels 20 km half-marathon.
- **Market Investment:** Personal portfolio management with profitable track record.
- **Senior Prom Trek:** Ranked 13th out of 120 schools (Walloon region, 40 km trek).

Skills & Languages

Programming: Python, C, Java, MATLAB, Dart, Bash, Erlang, Oz, Assembly

Tools: Git, Overleaf, MATLAB

Languages: French (C2, native) | English (C1, IELTS 7.0) | Dutch (B2)
